Exhibitor Information & Registration Form

Come Join Us in Halifax, Nova Scotia, Canada at the 2009 Canadian Geotechnical & Groundwater Conference

As Canada's premier geotechnical and groundwater conference in 2009, we invite you to join us to "**Discover Geotechnique**" at the Halifax Marriott Harbourside Hotel as an exhibitor at the **GeoHalifax2009** product and supplier trade show.

The 2008 conference was another sell out success with 42 trade show booths provided and over 620 total delegates, exhibitors and sponsors registered over the three-day event. In 2009 we expect a minimum daily attendance of at least 500 delegates – our extensive plenary, technical and trade exhibition program will ensure that your firm will be well placed to connect and do business with this key audience of provincial and national industry leaders and decision-makers.

GeoHalifax2009 will feature a comprehensive trade show for suppliers, consultants, government and other firms wishing to demonstrate their products or services to the geotechnical and hydrogeological communities. ***We're pleased to announce that our prices have not increased over the 2008 trade show rates!***

The trade show will open on the evening of Sunday, September 20, 2009 for the Ice Breaker and Exhibitor Reception and will run through until the afternoon coffee on Tuesday, September 22, 2009.

To book your spot, please use the form on the last page of this information package. Should you have any questions or for more information, please contact:

Wayne Gibson, P.Eng.
Conference Manager
